

Vision & Mission

Vision

To emerge as a premier Centre in Biotechnology for education and research, fostering innovation that bridges science and society. To nurture future-ready professionals who leverage cutting-edge biological issues integrated with engineering concepts to solve global challenges in health, agriculture, environment, energy, and industry driven, with ethical values for sustainable progress for India and globally.

Mission

1. Imparting knowledge of the fundamentals of Engineering, Science and Technology in students by providing good academic environment to pursue undergraduate, Post graduate and Doctoral programs in Biotechnology for a successful professional career
2. Developing liaison with Academia, R & D institutions and Biotechnology Industry for exposure in practical aspects in engineering and solution of the industry oriented and societal problems, entrepreneurial pursuit and project management
3. Inculcating interpersonal skills, team work, professional ethics, IPR and regulatory issues in students to improve their employability in changing global environment
4. Promoting strong research culture in students for life ? long learning
